Dear Friends – Great Falls, Shelby, Fort Benton

You folks have been very dear these days and I want to send this out to you before it goes viral on the internet.

John & I are yet in Bozeman but we will be traveling up to GF this afternoon.

I have had some very nice and encouraging visits here these days.

At this time I really don't know what the future holds for both John & me.

But we will take one day at a time. Keeping our eyes lifted to the One that has created all things and has planned to best for each one of us.

I apologize again for how this adds to each of your stress and grief at this time. humbly & sincerely yours

Scott

MT WY Overseer Scott Rauscher resigns from work

February 21, 2024

To the Montana & Wyoming Staff and Friends

Dear Ones to me,

You have all become very special to me over the last 29 years and especially in these last few days. Your love & fellowship in Christ Jesus our Lord has been greatly appreciated.

I have made the decision to step away from my responsibilities as an overseer and my active part in our Lord's Ministry here in Montana & Wyoming.

I'm aware that I need some time to focus diligently upon some things that have hindered me in my labors and feel it is necessary for me to seek some professional help, and have already begun the process.

I am deeply sorry that my situation has added more stress and suffering to you all at this time. My heart's prayer for each and every one of you is that you will continue to trust in the True and Living God and allow Him to show His care and keep you through these difficult days.

I know there are going to be many questions yet arising in your minds & hearts. Although there are many unknowns we pray and trust things will unfold for each of us in God's perfect wisdom and grace. Psalm 40 has been good for me the last while: "I waited patiently for the Lord..." We are assured God is looking over the needs here in Montana & Wyoming.

Humbly & sincerely

Your bro – Scott R.
